RE: Industrial Facilities and Commercial Facilities
Tax Abatement Certificates

Act 198, P.A. of 1974 became effective on July 9, 1974. This means that the first certificates issued provided abatements beginning with the 1975 tax year.

Many of the certificates issued in the earlier years have now expired. Please check the expiration date on each of the certificates for facilities in your assessment jurisdiction. The property covered by exemption certificates having an expiration date of December 31, 1988 or prior should be on the 1989 ad valorem assessment roll.

This reminder is sent so that corrective action may be taken prior to delivering the roll to the Board of Review.

The same applies to Act 255, P.A. of 1978 certificates.

If you do not have, or cannot locate the Industrial Facilities or Commercial Facilities Certificates in your files, we can furnish a copy upon request.

Very truly yours,

A handwritten signature in cursive script, reading "Emil E. Tahvonen".
